City of San Ramon CIP 5514

Iron Horse Trail Landscaping and Beautification Project

Planned Construction Period: September 14, 2015 to December 18, 2015

This Iron Horse Trail Landscaping and Beautification Project (CIP 5514) is scheduled to begin on, or after, September 14, 2015. The areas of work are between Fostoria Way and to the south City Limit Line. This project involves construction of nine themed rest areas along the Iron Horse Trail. There are three between Fostoria Way and Norris Canyon Road and six between Bollinger Canyon Road and south City Limit Line.

Construction is scheduled for completion by December 2015.

The City asks for your cooperation and consideration while construction is underway. While the project has been planned to minimize impacts to the public, some construction impacts and inconveniences cannot be avoided.

The City has contracted with Jensen Corporation Landscape Contractor to perform the work. The following contact information is provided in case you have questions or concerns regarding this project:
